National Team Selection Policy

KGB Executive Committee

NATIONAL TEAM SELECTION POLICY

1.0 Introduction to the Selection Policy

1.1 Scope of the Selection Policy

This policy is prepared by the National Director of Coaching (herein after referred to as the 'DOC') and the National Discipline Coaches (herein after referred to as the 'National Coaches'). Authority by which this Team Selection Policy is implemented is obtained from the Kickboxing GB Board of Directors (herein after referred to as the 'Executive').

The Team Selection Policy (hereinafter referred to as the "Team Selection Policy") outlines the conditions for eligibility and criteria relevant to the selection of athletes to be members of the Senior and Junior GB Kickboxing teams that will represent Great Britain at the WAKO Senior European/World Championship and the Cadet/Junior European/World Championship events. Final selection and membership of the GB Kickboxing Team for each year will commence when the athlete contract is signed by the athlete and is received by the Secretary of the Executive before the given date. The athlete contract will be forwarded to all athletes who are successful in the elimination process and who adhere to the eligibility criteria laid out in section 2 below. Athletes will remain selected for the GB Kickboxing Team within the terms of the athlete contract until the final championship event of the season is complete.

This selection policy is constantly under review and, following full approval from the executive will be subject to periodic amendments.

1.2 Purpose, Aims and Principles of the Policy

The primary purpose of the Team Selection Policy is to select the best possible athletes of a performance standard to represent Great Britain at International WAKO World and European Championships.

The long term aims of the policy are to:

1. Identify athletes with the capacity to represent Great Britain in the future at international competitions.
2. Support the development of athletes in all disciplines by providing a performance target to aim for and an objective test of their ability.

The principles used to meet these aims include:

Objectivity:

The Team will be selected using objective performance-based criteria based on clear parameters and results.

Transparency:

The selection process will be easily interpreted and published.

The policy will be binding on all athletes seeking team selection.

1.3 The WAKO GB Selection Panel – Roles & Responsibilities

This policy will be overseen by the DOC who will establish the Selection Panel. The Selection Panel's roles and responsibilities are explained in the next chapter.

This Selection Policy may be amended at any time by the Selection Panel where the Selection Panel forms the opinion that such an amendment is necessary for any reason determined to be in the best interests of Kickboxing GB and to ensure that the selection of athlete(s) gives the athlete(s) the best opportunity to prepare and perform on the international stage. Neither the Selection Panel or Kickboxing GB will be responsible or liable in any way for any issues arising from any such amendment/amendments and such amendments shall be final and binding on all athletes.

1.4 The Selection Panel Members

The Selection Panel will consist of the National Head Coaches and the Director of Coaching.

The Selection Panel will be chaired by the Director of Coaching. The Selection Panel will be confirmed by the President of Kickboxing GB. Junior and Senior Team coaches will feedback to the head coaches informing & suggesting opinions that contribute to any selection decision that needs to be made.

Ideally, the Selection Panel will reach a unanimous selection decision through discussion although when there is incongruence amongst the Selection Panel the DOC will call for a vote. Each Selection Panel member will have one vote to be counted.

In the event of a tied vote the DOC will inform the Executive, the result of a majority vote of the Executive will be deemed the final and appropriate decision. An appeal in respect of selection must follow the Selection Appeals process laid out in section 6 of this policy document. The Selection Panel decision will then be ratified by the Executive before the Team configuration is announced to the athletes.

1.5 Conflict of Interest

To maintain transparency and integrity within the process, each member of the Selection Panel will be asked to state whether they have any conflict of interest relating to the selection process. If any member of the Selection Panel declares a conflict of interest or is otherwise deemed to have a conflict of interest, they will be asked to step back from the decision-making process and allow the remaining National Coaches to oversee the process. In the event of a tied vote the DOC will inform the Executive, the result of a majority vote of the Executive will be deemed the final and appropriate decision.

If any of the Selection Panel members are unavailable for any reason an alternative nominee will be sought from within the Kickboxing GB Coaching Committee.

3. Fit to Fight Criteria

The Athlete hereby undertakes to use their best endeavours to attain and maintain such levels of fitness and health as are appropriate to their membership of the WAKO GB Team.

Important

Squad training will be used as the means to continuously assess the fitness, physical and technical readiness of members of the National Kickboxing Team. It is of vital importance that the National Coach has a comprehensive impression of the athlete's ability to perform at the WAKO championships. Athletes who fail to attend for assessment at squad training camps in accordance with the criteria laid out in clause 4.1 will be removed from the team.

Furthermore, the Athlete understands and accepts that Kickboxing and other training activities carry a risk of physical injury, and the Athlete agrees to take all reasonable care to avoid causing harm to themselves and others during training.

Weight Control

It is recommended that Athletes should compete in a weight class that is comfortable for them to achieve. Athletes must not engage in any weight-cutting methods that may prove harmful to their health and detrimental to their performances.

As part of the 'Fit to Fight' continuous assessment, athletes will be asked to present themselves for weigh-in on selected squad training dates by the National Coach. Athletes who have concerns about their fight weight should immediately speak to their National Coach for advice and guidance.

In exceptional circumstances where an athlete who, for whatever reason, cannot comfortably make their fight weight, such an athlete MAY be offered a place in the weight category above. This is only permissible if no other athlete is holding a team place in the suggested weight category. Such changes must be agreed by the Team Selection Panel in advance of the athlete being notified.

Junior age categories must not participate in any weight-cutting activities whatsoever. Any athlete deemed to be engaging in any weight-cutting activities that is deemed to have detrimental effects on their health will be suspended from the Kickboxing GB Team pending discussions by the Team Selection Panel and the Kickboxing GB medical officer.

4. Types of Selection

Athletes may be selected through either the performance or discretionary processes described in the sections below. Regardless of how an athlete achieves selection, continued selection will always be conditional upon an athlete meeting and maintaining the Athlete Eligibility Criteria and by that athlete signing and complying with the terms and conditions contained in the athlete contract and code of conduct.

4.1 Performance Selection

- 1) Must finish in the top 3 places (1st place, 2nd place or joint 3rd place) of the British National Championships.
- 2) Must attend 75% of Kickboxing GB squad training camps/sessions.
- 3) Must pay all payments on or before date of payment.

**To comply with the Fit to Fight Criteria a senior athlete must attend a minimum of 75% of announced squad training camps.

If a camp/session is cancelled or the date is changed it will be deemed that all team members attended the advertised camp/session. There will be no deviation from the 75% or no excuses accepted, attendance is compulsory. Any fighter who does not achieve 75% of the squad training camps/sessions will be removed from the team. The reserve athlete will be offered the team placement. If no reserve athlete is in place, the vacant position will be put forward for discretionary selection (see 4.2.1 below).

Fight Offs

Fight offs will take place when a team placement in an appropriate weight category remains contested. This may happen when:

1. Ranked Fighter Steps Down - A team placement becomes vacant after the National Championships and two athletes who meet the eligibility criteria wish to contest for the vacant team placement e.g. two bronze medalists wish to compete for the same spot after gold and silver medalists drop out of contention.
2. Exceptional Circumstances - In exceptional circumstances which may include injury, sickness or bereavement. Athletes with historical success will be given the opportunity for a fight-off. See section 4.2.2 Exceptional Circumstances.

In these circumstances, the winner of the fight-off is deemed to have won the team placement but will not be deemed British National Champion.

Important: Fight-Offs will be officiated by Kickboxing GB qualified officials only. The Director of Coaching and the Kickboxing GB Chief Referee will collaborate on establishing dates, times and venues for official Kickboxing GB fight-Offs. The results of the Fight-Offs will be made known to the Executive within 24 hours of the Fight-Off concluding and the winner being announced. The result of the Fight-Off is final.

4.2 Discretionary Selection

4.2.1 Vacant Position

In the instance where there is no Reserve Athlete in place and a team placement is vacant on the Kickboxing GB Team for the WAKO European/World Championships, National Coaches may propose suitable Athletes for appropriate vacant positions. This can only be done after notification to the membership of any team potential vacancies. In the first instance, the athlete proposals are made to the Team Selection Panel. The Director of Coaching will then send any proposals made by the Team Selection Panel to the Executive. These proposals must be approved by a majority of the Executive.

4.2.2 Exceptional Circumstances

Kickboxing GB's selection process aims to select the best athletes in a process that is fair and transparent. It is recognised that under exceptional circumstances established GB Athletes with historical medal success at international level may be unable to compete at the Nationals and yet should be allowed the opportunity to be considered for selection. Exceptional circumstances include but are not limited to, sickness, injury and bereavement.

In this instance, the following criteria must be met.

- a) the athlete must be an existing GB squad member with medal success in a previous World or European Championships (2-year window).
- b) circumstances explaining why they could not attend the Nationals must be backed up with verifiable evidence e.g. in the case of a medical issue the athlete must provide an official doctor's letter outlining the relevant details of an injury or sickness.

All evidence must be submitted to the Team Selection Panel for review. Should the panel accept the evidence provided and confirm the athlete is meeting all the other criteria required for selection, the Director of Coaching will then send a proposal for a fight-off with the No. 1 ranked athlete in contention to the executive committee. In the case of Junior Selection where there are two places available to contest, any fight-off will be with the lesser ranked athlete e.g. silver medalist rather than gold. These proposals must be approved by a majority of the Executive.

4.2.3 Ring Sports

To ensure the health and safety of Ring Sport athletes, all Interim Champions (win by walk-over) must be ratified by the Team Selection Panel before being included on the Kickboxing GB Team.

In ratifying an Interim Champion for inclusion on the Kickboxing GB Team the Selection Panel will consider, but will not be limited to, the following factors:

- a) Performances in the preceding season (the fighters Ring Sport record).
- b) Future potential.
- c) Physical fitness / injury during the season in question
- d) Additional factors – e.g. training history; time in the sport; whether they are junior or senior athletes; their progression over the years; level of experience and commitment will be taken into account.

Athletes who achieve discretionary selection may only take their place on the Kickboxing GB Team once their membership on the team is in line with the Eligibility Criteria laid in clause 2.1 of this Team Selection Policy document.
